## ARE YOU INTERESTED IN EUROPEAN BUTTERFLIES?

Would you like to identify butterflies you have seen on holiday?

Would you like to know where to go to see particular European species?

Would you like to help with conservation and survey projects in other European countries?

## IF SO WHY NOT JOIN BUTTERFLY CONSERVATION'S EUROPEAN INTERESTS GROUP – EIG

EIG aims to promote the enjoyment, conservation and study of butterflies, moths and their habitats in Europe and has a structure very similar to other Butterfly Conservation local branches.

Our website [www.bc-eig.org.uk](http://www.bc-eig.org.uk) has back issues of EIG newsletters, information on butterflies by country, country lists and advertisements for butterfly holidays. You can send photos for identification. *Contact: Simon Spencer Tel: 01691 648339 - email: [cerisyi@btinternet.com](mailto:cerisyi@btinternet.com)*

**EUROPEAN INTERESTS GROUP**

The European Interests Group works to:

- Circulate information on European butterflies and moths to members and also to partners in Europe.
- Encourage recording of butterflies across Europe, facilitate contact with recording schemes and encourage the local atlases that are planned in several parts of Europe.
- Publicise the plight of butterflies and moths where changes in agriculture, particularly land abandonment are a huge threat.
- Help set up projects with partners in other European countries.
- Provide a skilled volunteer resource for European nature conservation organisations such as national parks.
- Facilitate activities outside of the UK in which members can participate in survey or conservation work and help members improve their skills in identifying butterflies.
- Assist the work of Butterfly Conservation Europe (BC Europe) and act as ambassadors for BC with partner organisations.
- Support partner organisations in lobbying in Europe.

As a member of Butterfly Conservation's European Interests Group (EIG) you will receive regular email newsletters and updates about conservation in Europe.

Membership of the EIG is open to all existing and new members of Butterfly Conservation for an additional cost of £10 per year. This additional payment will be taken at the same time as your main subscription so until then EIG membership will be free. To reduce administration costs we are encouraging all members to pay subscriptions by direct debit and therefore this is a requirement of EIG. (Non-UK members of BC receive automatic EIG membership instead of a local Branch so pay just the standard membership fee. Non-UK BC members only must pay EIG subscriptions by credit card).

If you would like to become a member of the European Interests Group please complete the details overleaf and return or telephone 01929 406015. As all information will be sent electronically an email address is compulsory.

If you do not currently pay your membership subscriptions by direct debit please also complete and sign the direct debit form overleaf.

If you have any queries please call our Head Office on **01929 406015** or email [membership@butterfly-conservation.org](mailto:membership@butterfly-conservation.org)
